

Here is my reasoning for my choices in our mock draft,west virginia football jersey,nhl jersey shop, which posted earlier Monday: Kansas City,nike nfl jerseys 2012, No. 5: Eric Berry,iowa football jersey,authentic football jersey, Safety,kids nfl jersey, Tennessee Why: Oklahoma State left tackle Russell Okung was off the board at No. 4 to Washington. Berry is the next best option. He can help change Kansas City's defense. A tackle could be found in the second round. Oakland,michigan state football jersey, No. 8: Bryan Bulaga,nike football nfl,hockey jersey template, tackle,new nfl nike jerseys,hockey jersey designer, Iowa Why: Oakland needs a tackle. Bulaga is highly rated. With Okung and Trent Williams off the board,university of michigan football jersey,make your own football jersey,colorado rockies hockey jersey, Bulaga is the next best tackle available. Oakland could look to other positions,nfl jersey wholesalers,practice hockey jerseys, but it needs to find a tackle,nfl personalized jersey,nfl nike jerseys 2012, and Bulaga is a fine prospect. Denver,nfl jersey shop,custom nfl jersey, No. 11: Dez Bryant wide receiver,air force football jersey, Oklahoma Why: With Jacksonville taking Alabama middle linebacker Rolando McClain at No. 10,oregon ducks authentic football jersey, this was an easy pick. Denver could trade down, but that doesn't fly in this mock. I had to take somebody and the Broncos like Bryant. They also have a big need for a large receiver because of the Brandon Marshall trade to Miami. San Diego,auburn football jersey, No 28: Terence Cody,MLB caps,leaked nike nfl uniforms, defensive tackle,official nfl jersey,nike pro combat uniforms nfl, Alabama Why: Fresno State running back Ryan Mathews was off the board. Nose tackle may be the call here. Cody is a big player who is a perfect fit for the Chargers' 3-4 defense. However,custom college football jersey, I think San Diego could consider UCLA defensive lineman Brian Price as well.On what's been a very busy day across the NFC South,nike nfl pro combat jerseys,cheap nba jerseys,lsu football jersey, let's go to the headlines to catch up on some other items of interest. The Carolina Panthers reportedly have shown interest in Pat Williams (and presumably about 100 other defensive tackles). It's very logical because Williams is known as a run-stuffer and the Panthers are desperate for one. But there's one small problem with this. It's likely Williams would face the same two-game suspension that was handed out to Kevin Williams and Will Smith in the StarCaps case. In other words,worst nhl jerseys,top selling nfl jerseys, the earliest Williams could help the Panthers would be the third game of the season. I'd keep an eye on Trey Lewis, who was just cut by the Falcons. I know some people in Carolina's personnel office who have always respected Lewis' play. Steve Reed has his projection of Carolina's 53-man roster and correctly points out it's likely the Panthers will bring in at least a few guys from outside. Stephen Holder has his projection on Tampa Bay's roster. Falcons owner Arthur Blank and his wife have separated. D. Orlando Ledbetter writes that the Falcons took a medical risk when they signed cornerback Kelvin Hayden. He had a neck injury and was unable to pass physical examinations given to him by other teams. General manager Thomas Dimitroff said the Falcons were comfortable with Hayden's condition. New Orleans running back Chris Ivory,nike nfl 2012 jerseys, <https://www.cheapjerseys0086.com/> who missed much of the preseason with a foot injury and surgery on a sports hernia,nfl jersey,nfl youth jerseys, said he's ready to test out his body. But it's possible he'll be given more time because the Saints could put him on the physically-unable-to-perform list to start the season. The Saints haven't announced any roster cuts yet,university of michigan football jersey, but it appears defensive back Trumaine McBride has been told he's gone.
